INFORMATION ABOUT THE RESULT OF THE COMPETITION

(sent to SSK)

DEPARTMENT	Faculty of Geographical and Geological Sciences
Project name	"Unravelling the chronological, geographical and taphonomic complexity of the occurrence of the woolly rhinoceros in Pleistocene contexts in Poland (WOOLRHINOPOLI) and Europe"
Project agreement number	UMO-2021/43/B/ST10/00362
POSITION	Scholarship student

As a result of the competition procedure for the aforementioned position, the competition committee, after a secret ballot, selected Mr **Kajetan Dedła** for employment

Reasoning:

There was one candidate who applied for the competition. The scholarship committee assessed the applicant's existing academic achievements, research accomplishments, and competence to perform specific tasks in the research project in accordance with the Regulations for Awarding Research Scholarships for Research Projects Financed from NCN Funds (Annex to NCN Resolution No. 25/2019 of 14 March 2019). The

Commission ultimately selected this person as eligible for employment in the position in the announced competition.

The competition committee has analysed the submitted documents. The documents submitted by the Candidate in the competition met the formal and substantive requirements. The candidate met all the criteria set out in the competition conditions. The committee recommends hiring a student as a scholarship holder.
