Assistant professor in the Institute of Film, Media and Audiovisual Arts which is a part of the Faculty of Polish and Classical Philology. The duties of an Assistant Professor include conducting research in the fields of game studies, film studies and literary studies, the results of which are linked to didactics. The work at the Institute is a combination of research (publications, participation in scientific conferences, preparation of scientific projects, national and international internships - we support the employee in each of these tasks), didactics (conducting workshops, exercises, conversation classes, seminars and lectures) and organisation (assistant professors can develop in administrative, promotional and cultural activities).

**III) Requirements and qualifications**

The competition is open to individuals who meet the requirements specified in Article 113 of the Law on Higher Education and Science of 20 July 2018 (Journal of Laws of 2023, item 742, Article 113 as amended) and who meet the following requirements:

1. Completed studies in the field of film studies (bachelor's and / or master's studies), doctoral degree in the humanities in the field of literature or art studies or culture studies.
2. Documented scientific, didactic and organizational achievements (with particular emphasis on game studies).
3. Certificate of English language proficiency and / or the candidate's own declaration of the knowledge of the English language with a declared level of fluency in speech and writing and the readiness to conduct classes in this language, prepare conference presentations and publishing post-conference materials.

In justified cases, the committee reserves the right to request additional external reviews of the candidates' achievements and / or additional documents to assess the candidates' qualifications.

**IV) Required languages**

1. Polish – native
2. English - fluent.

**V) Required research, teaching or mixed experience**

The candidates' scientific, organizational and teaching achievements will be assessed proportionally to the time of their professional activity.

## **VI) Benefits**

- an atmosphere of respect and cooperation
- supporting employees with disabilities
- flexible working hours
- funding for language learning
- co-financing of training and courses
- additional days off for education
- life insurance
- pension plan
- savings and investment fund
- preferential loans
- additional social benefits
- leisure-time funding
- subsidizing children's vacations
- "13th" salary

## **VI) Eligibility criteria**

  - 1.1. publications (monographs and peer-reviewed articles, editors and co-editors, translations from English or other foreign languages),
  - 1.2. participation in national and international conferences (with paper),
  - 1.3. grants (principal investigator, investigator),
  - 1.4. current membership of editorial committees of journals and publishing series,
  - 1.5. information on academic trainings abroad (place, a form of training, aim, results),
  - 1.6. awards for scientific activities.
2. Organizational and administrative activity: an organization of the conferences and other academic and cultural events.
3. Cooperation with national and international academic and research institutions.
4. Teaching activities:
  - 4.1. teaching activities (type of classes taught, topics and content of education, list of classes taught in foreign languages),
  - 4.2. development of study programmes/specializations,
  - 4.3. awards for teaching activities.
5. Academic plans for further scientific and didactic development (with particular emphasis on game studies).
6. Popularization of research and academic activities: publications, organization and conducting of events popularizing media culture.
7. Other activities of the candidate (e.g. volunteering).
8. Awards and distinctions (other than academic and teaching awards).
9. Certificate of English language proficiency and / or the candidate's own declaration of the knowledge of the English language with a declared level of fluency in speech and writing and the readiness to conduct classes in this language, prepare conference presentations and publishing post-conference materials.

## VII) The selection process

1. Competition committee begins working no later than 14 days after the deadline for submission of documents.
2. Formal evaluation of submitted proposals.
3. Call to provide additional or missing documents if necessary.
4. Selection of candidates for the interview stage (from among persons meeting the formal requirements).
5. Interviews for candidates who meet the formal requirements. During the interview, the candidate may be asked to answer 1 question in English.
6. The committee has the right to request external reviews of candidates' work or to ask candidates to conduct teaching assignments with an opportunity for student evaluation.
7. The Commission may ask for additional documents.
8. Candidates invited to the interview may be asked by the Commission to give a fifteen-minute presentation on a scientific problem of their choice.
9. The chair of the competition committee announces the results and informs the candidates. This information will include justification. Submitted documents will be sent back to candidates.

## VIII) Prospects for professional development

Employment in one of the best Polish institutes focused on film and game studies is an optimal path of development for a scholar. An assistant professor is in constant contact with all research and didactic employees at the Faculty of Polish and Classical Philology, participates in the academic life of the Faculty, Institutes and Departments. The employee has a possibility to work in research teams and consult the progress of their own research at scientific meetings and conferences organized at the Institute of Film, Media and Audiovisual Arts and at other institutes. The assistant professor can be supported with the preparation and administration of research grant projects, may apply for funding or co-funding of their own research publications and participation in domestic as well as international conferences. They may also undertake research initiatives on their own and organize scientific conferences. The newly employed assistant professor is expected to receive a post-doctoral degree and become a professor. All together: research, teaching and organizational work at the Institute of Film, Media and Audiovisual Arts enable to get the necessary competencies, achievements, experience and authority to begin making efforts to obtain the degree of professor. The habilitation procedure is fully financed by the Faculty of Polish and Classical Philology.
