

**Competition announcement
for a studentship
within an OPUS 24 project**

Institution: Faculty of Psychology and Cognitive Science, Adam Mickiewicz University

Position: student – scholarship holder

Requirements:

Essential:

- Third year of studies or higher in psychology or cognitive science;
- Completion of a cognitive psychology module and interest in any area of cognitive psychology;
- English language skills at a level enabling reading scientific literature and discussing research;
- Basic knowledge of statistics and statistical programs (e.g., SPSS, R, JASP);
- Knowledge of and adherence to ethical rules governing experimental research.

Desirable:

- Knowledge of software for programming and deployment of experiments (e.g., E-Prime, lab.js) or programming language/s (e.g., Python);
- Authorship or co-authorship of a reviewed publication;
- Authorship or co-authorship of presentation/s at esteemed scientific conferences.

Task description:

The student will work as part of a team on the OPUS project “The role of varied retrieval in effective learning (2022/47/B/HS6/00365) led by dr hab. Katarzyna Zawadzka, prof. UAM (a brief description of the project can be found here:

<https://ncn.gov.pl/sites/default/files/listy-rankingowe/2022-09-15-opu8jisl/streszczenia/573691-en.pdf>).

The PhD student will be responsible for running a series of experiments within the project. Their tasks will include:

- 1) Research planning, including literature reviews;
- 2) Preparing experimental procedures;
- 3) Conducting and coordinating studies;
- 4) Data analysis;
- 5) Preparing manuscripts under the supervision of senior team members.

Call type: OPUS – HS

Application deadline: November 7th, 2023, 23:59 (CET)

Application submission: by email: k.zawadzka@amu.edu.pl – principal investigator, dr hab. Katarzyna Zawadzka, prof. UAM

Terms of employment:

Studentship: 2,500 PLN/month

Project start date: December 2023

The studentship will be paid in monthly instalments, based on a contract between the university and the studentship holder.

Due to project requirements, the student will be expected to stay permanently in Poznań, Poland.

Additional information:

Important: A necessary condition for being eligible for the studentship is having a student status for the duration of the project.

Required documents:

- CV including: the topic of Master's/Bachelor's thesis or Master's/Bachelor's seminar (if applicable), information on active participation in research projects, conferences, workshops and training programmes, activity in student scientific societies, scholarships, awards, completed cognitive psychology courses together with grades;
- A brief description of research interests;
- Copies/scans of scientific publications;
- A signed statement of consent to data processing as part of the recruitment process (which can be found at the end of this document).

The applications will be reviewed by a recruitment committee within 14 days from the application deadline in accordance with the Regulations for Awarding Scientific Fellowships in Research Projects Funded by the National Science Centre.

Information regarding the research team can be found at lamelab.org.

Any questions should be directed to the principal investigator, dr hab. Katarzyna Zawadzka, prof. UAM (k.zawadzka@amu.edu.pl).

Information clause for jobseekers

Pursuant to Article 13 of Regulation (EU) No. 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC – General Regulation on data protection (Official Journal of the European Union L 119/1 of 04.05.2016) I hereby inform you that.

1. The Controller of your personal data is Adam Mickiewicz University in Poznań with its registered office at 1, Henryka Wieniawskiego Street, 61-712 Poznań.
2. The controller of personal data has appointed a Data Protection Inspector to supervise the correctness of personal data processing, who can be contacted via e-mail address: iod@amu.edu.pl.
3. The purpose of the processing of your personal data is to carry out the recruitment process for the indicated position.
4. The legal basis for the processing of your personal data is Article 6(1)(a) of the General Data Protection Regulation of 27 April 2016 and the Labour Code of 26 June 1974 (Journal of Laws of 1998, N21, item 94, as amended).
5. Your personal data will be stored for a period of 6 months from the end of the recruitment process.
6. Your personal data will not be made available to other entities, except for entities authorized by law. Access to your data will be granted to persons authorized by the Controller to process them within the scope of their professional duties.
7. You have the right to access your data and, subject to the provisions of law, the right to rectify, delete, restrict the processing, the right to transfer data, the right to object to the processing, the right to withdraw consent at any time.
8. You have the right to lodge a complaint to the supervisory authority - the President of the Office for Personal Data Protection, ul. Stawki 2, 00-193 Warszawa.
9. Provision of personal data is obligatory on the basis of legal regulations, in the remaining scope it is voluntary.
10. With regard to your personal data, decisions will not be taken automatically, in accordance with Article 22 RODO.

Statement of consent

In accordance with Article 6(1)(a) of the General Data Protection Regulation of 27 April 2016 (Journal of Laws of the EU L 119/1 of 4 May 2016) I agree to the processing of personal data other than those indicated in Article 221 of the Labour Code (name(s) and surname; parents' names; date of birth; place of residence; address for correspondence; education; previous employment), included in my job offer for the purpose of current recruitment.
