### **INFORMATION ON THE RESULT OF THE COMPETITION**

FACULTY	Law and Administration
POST	PhD student-scholar in the project „Legal Protection of Synthetic Data for Artificial Intelligence Applications” 2024/53/B/HS5/01018

As a result of the proceedings in the competition conducted for the above mentioned post, the competition committee has chosen

Dominik Świątkowski.

Justification:

The competition committee reviewed the submitted documents and conducted a personal interview. The documents submitted by the candidate in the competition procedure met the formal and substantive requirements. The personal interview highlighted the candidate's qualifications. The candidate met all the criteria set out in the competition conditions. The committee recommends employment as a doctoral student-scholarship holder.
