(sent over to HR)

FACULTY	Faculty of Geographical and Geological Sciences AMU Poznań in the project SONATA NCN “Blue rings in roots and stems of Scots pine (<i>Pinus sylvestris</i> L.) as proxies for cooling events in the boreal and temperate zones of Europe (bROOT)” Project agreement no. 2023/51/D/ST10/02498
POST	ASSISTANT PROFESSOR (postdoctoral fellowship)

As a result of the proceedings in the competition conducted for the above mentioned post, following a secret ballot vote, the competition committee has chosen Ms. Liliana Siekacz.

Justification (formulated by the competition committee):

Ms. Liliana Siekacz was the only candidate who met all key requirements. She possesses extensive fieldwork experience, laboratory skills, expertise in dendrochronological analyses, excellent command of the English language, and teaching experience.

The competition committee has analyzed submitted documents. The documents submitted by the Candidate in the recruitment procedure met formal and substantive requirements. The Candidate met all the eligibility criteria established in the competition. The competition committee thus recommends the Candidate for the position of an ASSISTANT PROFESSOR (postdoctoral fellowship).
