Date: 11.08.2022

INFORMATION ON THE RESULT OF THE COMPETITION

(sent over to HR)

FACULTY	Faculty of Geographical and Geological Sciences
POST	position of post-doc (postdoctoral researcher) in the project NCN Sonata BIS-11 nr 2021/42/E/ST10/00186

As a result of the proceedings in the competition conducted for the above-mentioned post, following a secret ballot vote, the competition committee has chosen Dr Gisela Domej

The candidate has fulfilled the requirements of the competition.

Justification (formulated by the competition committee):

Dr Gisela Domej's scientific interests are related to the issues of mass movements in mountain areas and geo-hazards and fit very well with the research planned under the Sonata BIS-11 11 nr 2021/42/E/ST10/00186 "Global assessment of glacier-landslide interactions and associated geo-hazards". Her skills include mapping, scanning, coding and numerical modelling. Dr Domej has experience gained during master's studies, doctoral studies and postdoctoral fellowships in Austria, France and Italy. An essential feature of the candidate is the interdisciplinarity of previously conducted research.
