INFORMATION ON THE RESULT OF THE COMPETITION

FACULTY in the project number	Faculty of Psychology and Cognitive Science “Singlehood in terms of ambiguous loss theory: The relationship between singlehood and mental health in the perspective of moderating and mediating functions of selected psychological factors” UMO-2019/34/E/HS6/00164
POST	Postdoctoral researcher

As a result of the proceedings in the competition conducted for the above mentioned post, following a secret ballot vote, the competition committee has chosen **Dr. Marcin Wojtasiński**.

Justification:

The Competition Commission reviewed the submitted documents and conducted an interview with the candidate. Following a two-stage recruitment process, the Commission concluded that the candidate fulfills all the criteria outlined in the competition's terms and conditions. Accordingly, the Commission recommends that **Dr. Marcin Wojtasiński** be employed as a postdoctoral researcher.
