INFORMATION ON THE RESULT OF THE COMPETITION

(sent over to HR)

FACULTY in the project	Faculty of Biology
number	Nitroxyl's role in the signaling cross-talk between cell death and life during potato leaves' hypersensitive response to Phytophthora infestans UMO-2024/55/B/NZ9/00902
POST	Post Doc

As a result of the proceedings in the competition conducted for the above mentioned post, following a secret ballot vote, the competition committee did NOT select any Candidate.

Justification (formulated by the competition committee):

The competition committee has analyzed submitted documents. The documents submitted by the Candidates in the recruitment procedure met formal but did not meet substantive requirements. The Commission does NOT recommend employing any of the Candidates for the position.

.....
(First and last name of the chairperson of the competition committee)
