Only persons who meet the following qualification criteria can apply in the contest:

1. Master's degree in psychology;
2. the status of a participant of doctoral studies (within the meaning of the Act of 27 July 2005 on Higher Education) or the status of a doctoral student at a doctoral school (within the meaning of the Act of 20 July 2018 Law on Higher Education and Science);
3. basic knowledge of singlehood and positive psychology;
4. intermediate knowledge of methodology, psychometrics, and statistics;
5. intermediate skills in conducting quantitative research;
6. intermediate knowledge and skills in conducting statistical analysis;
7. intermediate knowledge and skills in creating online surveys and operation of the selected online survey platform;
8. basic knowledge and skills in qualitative research, particularly of narrative psychology and narrative data analysis;
9. experience in dissemination of research results in the form of scientific papers and conference presentations;
10. experience in working on scientific projects.

Additional advantages: very good knowledge of English (spoken and written), regularity, reliability, punctuality, perseverance, enthusiasm for work, independence, high motivation to undertake research tasks, ability to work in the team.

Description of tasks:

1. participation in conducting the analysis and compilation of data from the first measurement and to participate in disseminating the results of the first measurement and validation studies;
2. participation in conducting the second and third measurements of the quantitative surveys;
3. participation in conducting the analysis and compilation of data from the second and third measurements and involvement in the dissemination of the results obtained;
4. participation in conducting the final overall data analysis and elaboration (also concerning the results of the earlier qualitative research) and involvement in disseminating the results obtained under the project.

Conditions of employment:

Place of work: Stationary work only): Adam Mickiewicz University in Poznań, Faculty of Psychology and Cognitive Sciences

Scholarship duration: 15 months

The amount of the research scholarship: 2100 PLN per month

Beginning of scholarship: January 2024

Date of competition settlement: until December 31, 2023

Conditions for the award of a scientific scholarship

The scholarship holder will be selected through a competition conducted following the Regulations for Awarding NCN Research Fellowships in Research Projects Funded by the National Science Center (Appendix to NCN Council Resolution No. 25/2019 of March 14, 2019).

The competition for an NCN research fellowship will be conducted by a fellowship committee chaired by the project leader. The commission will consider applications, taking into account their completeness and fulfillment of the conditions outlined in the competition announcement of the competition. The scholarship committee will evaluate applications on a

point scale, indicated in the Appendix to NCN Council Resolution No. 25/2019 of March 14, 2019. It will develop a ranking of candidates for the scholarship. When evaluating candidates, the scholarship committee will consider previous scientific achievements, achievements resulting from scientific research, and competence to carry out specific tasks in the research project.

Required documents

1. a cover letter addressed to the project leader justifying the desire to join the project;
2. a CV containing detailed information on the academic and research career, including information on publications, participation in research projects, conference presentations, and scientific and organizational achievements, along with an indication of the extent to which the candidate's past accomplishments and experience will allow them to carry out the tasks envisaged in the research project;
3. a copy of the diploma confirming the acquisition of a master's degree;
4. a certificate confirming the status of a participant in doctoral studies or the status of a doctoral student in a doctoral school;
5. copies of the first page of all publications;
6. a description of the projects in which the candidate/candidate has participated (maximum two typed pages);
7. letter of recommendation (optional)
8. consent for processing personal data (the content of consent below).

The required documents should be submitted electronically to the project leader's e-mail address: Katarzyna.Adamczyk@amu.edu.pl, in the title of the e-mail, writing "Research Fellowship in the SONATA BIS 9 competition". **The required documents should be submitted by the deadline of 23.11. 2023 at 9:00 am.**

The required documents should be attached as PDF files. Incomplete applications, those that do not meet formal conditions, and those submitted after the deadline will not be considered. Recruitment is a two-stage process and includes 1) evaluation of candidates' documentation and 2) an interview. Selected candidates contacted by e-mail will be invited to the interview. Candidates will be notified of the recruitment results by e-mail, and the results will also be published on the unit's website.

Information clause for jobseekers

Pursuant to Article 13 of Regulation (EU) No. 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC - General Regulation on data protection (Official Journal of the European Union L 119/1 of 04.05.2016) I hereby inform you that.

1. The Controller of your personal data is Adam Mickiewicz University in Poznań with its registered office at 1, Henryka Wieniawskiego Street, 61-712 Poznań.
2. The controller of personal data has appointed a Data Protection Inspector to supervise the correctness of personal data processing, who can be contacted via e-mail address: iod@amu.edu.pl.
3. The purpose of the processing of your personal data is to carry out the recruitment process for the indicated position.
4. The legal basis for the processing of your personal data is Article 6(1)(a) of the General Data Protection Regulation of 27 April 2016 and the Labour Code of 26 June 1974 (Journal of Laws of 1998, N21, item 94, as amended).
5. Your personal data will be stored for a period of 6 months from the end of the recruitment process.
6. Your personal data will not be made available to other entities, except for entities authorized by law. Access to your data will be granted to persons authorized by the Controller to process them within the scope of their professional duties.
7. You have the right to access your data and, subject to the provisions of law, the right to rectify, delete, restrict the processing, the right to transfer data, the right to object to the processing, the right to withdraw consent at any time.
8. You have the right to lodge a complaint to the supervisory authority - the President of the Office for Personal Data Protection, ul. Stawki 2, 00-193 Warszawa.
9. Provision of personal data is obligatory on the basis of legal regulations, in the remaining scope it is voluntary.
10. With regard to your personal data, decisions will not be taken automatically, in accordance with Article 22 RODO.

Consent clause

In accordance with Article 6(1)(a) of the General Data Protection Regulation of 27 April 2016 (Journal of Laws of the EU L 119/1 of 4 May 2016) I agree to the processing of personal data other than those indicated in Article 221 of the Labour Code (name(s) and surname; parents' names; date of birth; place of residence; address for correspondence; education; previous employment), included in my job offer for the purpose of current recruitment.

The applicant should be informed in the job application notice that his/her CV should include a clause with the required content, in which case it will be considered.
